- Onam

Dear students,

My hearty welcome to the new batch of students 2022 – 2023 to MMM College of Health Sciences. Students with different aspirations and colourful dreams enter a new stage of life, to achieve their goals and dreams. MMM CHS helps students to mould and shape their dreams into real life picture. As a medical professional you are trained with utmost care and dedication.

The four years of college teaching exposes students to 6 sets of values of an allied health professional - compassion, care, commitment, communication, competence and courage. These qualities are especially important for a role in healthcare; it is more than a job: it's a continuous commitment with a desire to improve the lives of other people. Your passion for helping others and contributing to the health of the community around you has made you choose this profession.

Enjoy the learning experience, have love for the work you do.

Wishing you all the best

Dr. Deepa C Philip

Principal

MMM CHS

AUGUST 2022

Independence Day

The 76th Independence Day was celebrated at MMM CHS campus. The Chief Guest for the program was Dr. Raju George, CEO, MMM. The guest hoisted the national flag and all saluted the flag. National Anthem was sung to praise the nation. A memorable message was shared by the guest to the students to recall the sacrifices and blood shedding of our forefathers. Sweets were distributed to share the happiness of Independence.

Students tour

Three days tour for III UG and II PG students was organised to Mysore and Coorg from 25th to 27th Aug 2022. Students enjoyed the trip and had great fun and left the place with lot of memories.

CME Program

Students of Medical Laboratory Technology of UG & PG attended a continued medical education program conducted by Karpaga Vinayaga Institute of Medical Sciences and Research centre, the CME programme presented video demonstrations on automations, cell counter description, QC purposes & calibration, LIS was really useful. Students gained knowledge on automations techniques.

September 2022

Teachers day

Teachers Day program was held on 5th September 2022. The program started with prayer followed by students speech on "Significance of the day". PG student expressed vazthu madal on Teacher's efforts. Organisers conducted games and special fusion dance performed by second and third year students. It was a visual treat for all the staff.

Onam Celebration

Onam was celebrated on 7th September 2022. A special event "POOKKOLAM" was conducted for the students where they actively participated and prizes were awarded to the winners.

"THIRUVATHIRAIKALI" was performed by the students.
