

RRB paramedical recruitment 2019: The online application process for the Railway Recruitment Board (RRB) paramedical vacancies will be closed on Tuesday, April 2. There are 1937 vacant posts, and the candidates can pay fees online till April 4, and offline fees can be paid till April 5, 2019.

The candidates will have to appear for a computer-based test (CBT) which is likely to be conducted in June 2019. This year, the Railway Ministry has released over a lakh posts notification under various categories. Last week, the RRB NTPC application form link was activated. The entire schedule for the railway exams is available on the official website.
