

### **FACULTY MESSAGE**

Dear Students,

Paramedical courses: These courses equip individuals with the skills to support doctors and nurses in various healthcare settings. These courses, ranging from certificate to degree levels, cover a wide spectrum of healthcare roles, including diagnostic testing, emergency care, and assisting with medical procedures.

Paramedics: They are highly trained medical professionals specializing in emergency medical care, particularly in pre-hospital settings. They are often the first responders to medical emergencies, providing immediate life-saving treatment and stabilizing patients.

Career: By choosing a paramedical course, you embark on a fulfilling career path that offers job security, opportunities for advancement, and the chance to make a significant impact on society.

Duties : Assessing patients is a primary responsibility. Paramedics quickly evaluate patient conditions, gathering medical history, vital signs and symptoms. They determine appropriate actions and provide necessary treatment.

Scope of paramedics in India: The paramedical field in India offers a wide range of career opportunities, with high demand and growth potential due to the expanding healthcare sector and increasing need for skilled professionals. Paramedics work in various settings like hospitals, clinics, diagnostic labs, and even in emergency services, supporting doctors and other health care professionals.

Scope of Paramedics in Abroad: The scope of paramedic in abroad is generally very promising, with high demand and competitive salaries, particularly in Australia, Canada, New Zealand and the UK.

Ms. Vanitha  
Asst professor Cum Co-ordinator

## STUDENT DEVELOPMENT COUNCIL PROGRAMS

### **Eco Club - No Plastic week**

A part of global efforts to reduce plastic pollution, MMMCHS successfully conducted "No Plastic Week" from July 7 to 12, 2025. The initiative led by the Eco Club Organizers and SDC office bearers, aimed to foster awareness and inspire behavioral change among students and staff to move towards a plastic-free environment.

## Eco Club Contest

A part of global efforts to reduce plastic pollution, various competitions were held on 19<sup>th</sup> Sept 2025 with a theme “Let’s Say No to Plastic, Yes to Planet,”

1. Poster Making Competition - “Our Planet, Our Responsibility”
2. Recycled Art Challenge - “Utilizing Waste/Recyclable Materials”
